3. (Secret - JSW) Met with Robert Smart and gave him one copy of a proposed briefing for the Subcommittee entitled How National Intelligence Estimates are Prepared. I informed Smart we had a number of others in the typewriters on subjects which were on the list which I had provided to him previously. Mr. Smart indicated that he saw no possibility of any meeting until after the first of June.

4. (Secret - JSW) Mr. Smart reviewed with me the report that Mr. Kilday had received from the General Accounting Office in which GAO proposes to cease any audit activities in CIA. Smart stated that Vinson and Kilday were most upset at this proposal and that Vinson proposes to send a letter back to Mr. Campbell requesting that GAO continue working with the Agency, indicating in most strong terms Mr. Vinson's disagreement with the proposed action of halting audit activities.
